## Natural oil sealer

No. 244

- Naturöl-Siegel
- Vernis à l'huile naturelle
- Aceite natural de sellado
- Olio sigillante naturale
- Naturolje forsegling

### Natural oil for solid interior wood

**KUNOS Natural Oil Sealer** is a transparent, water resistant and open pored oil coating, which is suitable for all solid wood in the interior as well as for OSB surfaces. It can be used as both a primer and as a final treatment.

KUNOS Natural Oil Sealer complies with DIN 53 160, fast to perspiration and saliva as well as with DIN EN 71 part 3 certified as suitable for toys.

**KUNOS Natural Oil Sealer** can be applied with all conventional methods as well as with spraying, dipping, with a rolled-up cotton cloth and with a polishing machine. By application, the room temperature should be at least 16°C.

**KUNOS Natural Oil Sealer** can be obtained in 18 different colors. KUNOS white preserves the natural color tone of the wood. Samples of our existing colors can be found on the back.

For more information as well as our safety advises, please read our Technical Data Sheets or the information panel on our packaging.

All LIVOS products have been tested intensively to guarantee advantageous working properties. All ingredients are disclosed in the context of a controlled full declaration. The sourcing of raw material as well as the production is carried out according to social and ecological guidelines. Besides, LIVOS neutral products undergo external scrutiny by the German Institute for Quality and Environment Control (IQUH).
